2016/5492/P	Anna Konycheva	6 Wavel Mews London NW6 3AB	14/11/2016 17:42:35	OBJNOT	<p>To whom it may concern:</p> <p>I would like to object to this development as the construction would involve a lot of disturbance in terms of dirt and noise. In particular, the demolition, which creates a lot of unwanted sound pollution and dust. The large amounts of dust would mean that extra costly and time consuming cleaning operations would have to take place in the neighbouring houses and gardens. The noise pollution, in turn, would mean that residents of surrounding properties would have their rest disturbed as well.</p> <p>Additionally, digging two floors into the earth will likewise be very noisy and messy creating an unbearable living conditions for everyone living in Wavel Mews and Acol Road for a considerable amount of time.</p> <p>Therefore, I think this development is unfair to the surrounding residents and should not be allowed.</p> <p>Kind regards, Anna</p>
