## 3. Description of Proposed Works

Please describe details of the proposed development or works including details of proposals to alter, extend or demolish the listed building(s):

Roofing over of the sunken area and service access in front of the 1920s extension to create a store amenity space.

Replacement of the existing front boundary wall with a low wall surmounted with railings to match those in front of the original house and generally with adjacent properties on Downshire Hill.

Provision of an iron access stairs in the existing front area and a new railing to protect the area perimeter.

The proposed accommodation will be wholly below ground level and will not be visible. The only change in appearance will be replacement of the front wall with lower wall with railings on top.
