2016/5463/P	Richard Simpson for Primrose Hill CAAC	12A Manley Street NW1 8LT NW1 8LT	17/11/2016 16:53:49	OBJ	ADVICE from Primrose Hill Conservation Area Advisory Committee 12A Manley Street, London NW1 8LT 02 November 2016 Basement Flat 179 Gloucester Avenue NW1 8LA 2016/5463/P Objection. The proposed loss of almost one-third of the garden would be harmful to the character and appearance of the conservation area by virtue of the loss of open green space, and the harm to what forms part of a local green corridor from the leafy gardens to the rear of the houses in Regent's Park Road down this side of Gloucester Avenue to the rear of Chalcot Square. The proposal would neither preserve nor enhance the character and appearance of the conservation area. Richard Simpson FSA Chair
