2016/6015/P	Rajan Uppal	2 Ranulf Road NW2 2BU	20/11/2016 16:01:00	COMMEMP ER	<p>This development will create a change in character of the neighbourhood. There are no flats on this road nor Ranulf road. There will be parking disturbance and visual impact. The garden grab will spoil the area for neighbours.</p> <p>Is there guaranteed disabled access to all 8 flats?</p> <p>This development needs to stop to keep the houses like the neighbours.</p> <p>All the other houses are large single family dwellings. Not micro flats with poor design and negative impact</p>
