Dear Leela,

Sorry to be so long in replying, I went to look at the property again.  
I approve of removing the wall in front of the steps; this complies with neighbours.  
I have no objection to the brick piers; I think that most houses had them originally.  
I do not object to the wrought iron gate, made of matching stair spindles.  
However I did note that none of the houses had 2 gates per property.

Many thanks,

Eileen Willmott

Dear Eileen Willmott

Thank you for your comments on the application at 69 Dartmouth Park Road.

I have been in discussions with our conservation officer and the applicant's agent to revise the proposal slightly. The front boundary wall now has a brick pier & iron gate. See the screenshots below or for full details on the web under [2016/5153/P](#). Please let me know if the Dartmouth Park CAAC has any objection or comments to make? I would be most grateful if you could reply by the end of the week.

**Revised proposal**
