Planning application number..... 2015/6455/P.....

Planning application address..... 156 West End Lane, NW6.....

I support the application (please state reasons below)
I object to the application (please state reasons below)

Your comments

I deplore the selling off of this publicly owned land. This part of West Hampstead is already densely populated with the recent developments along the overground station and Merton Road. This application would exceed the maximum density guidelines of the London Plan. The roads and pavements are already overcrowded at peak times. No impact assessment has been undertaken to address concerns. This application yet again prioritises luxury flats for sale. The few proposed affordable rented units are to be built on the least attractive end of the complex on the busy, polluted W. End Lane. The height of proposed buildings - 3-7 stories - will dwarf the surrounding mansion blocks and Lymington Road homes - casting darkness and shadows. I ^{strongly} urge councillors and officers to reject this application and instead work with the local community to provide affordable homes.
