Dear Ms Smith,

I am writing in respect of the planning application at 10B Wavel mews, London NW6. I strongly object to this application which is only a few meters away from our property at No. 7 Wavel Mews. This is a quiet residential mews and the distraction here will be enormous. My objections are as follows:

1. Noise and pollution
2. Due to the clay soil in this area and the weakness of the foundation, this could cause problems to the adjoining properties
3. Traffic congestion and inability to park
4. Too close to our property at No. 7
5. Not in keeping with the local area which is a conservation area

I write on behalf of Titan European Investment Ltd, the owners of No. 7 Wavel Mews.

Regards

Ivan Ezekiel
