Dear Ms Phillips,

4 The Hexagon, Fitzroy Park, London N6 6HU

Planning Application ref: 2016/3252/P

OBJECTION TO APPLICATION

Thank you for the opportunity to comment further on the revised application in relation to Number 4 The Hexagon.

As you will be aware from recent letters, the owners of nos. 1, 2, 3, 5 and 6 have consulted over the proposed works at number 4. We at number 3 write to record our agreement with the various grounds of objection clearly set out by Bernard Carnell of number 1 The Hexagon and there is nothing in the revised proposals that causes us to depart from our firm view that to allow the scheme at number 4 would create a very undesirable precedent; there is nothing further that we wish to add.

Yours sincerely,

Jeffrey Edwards and Katherine Man
