**Development description:** Erection of glazed extension to southern elevation of ninth floor apartment to provide additional habitable space.

Dear Mr Richardson,

I am writing with regard to the current planning application at the above site. Whilst the Regents Canal CAAC was added as a consultee when registering the application I am afraid an email consultation was not sent to you, apologies for this.

I just wanted to check if you wish to make any comments on the application before it is recommended for approval.

Kind regards,

Patrick Marfleet
