TOWNSCAPE VIEWS_REVISION P2

THE PROPOSED SCHEME
HIGH HOLBORN - POSITION 01

Scheme outline behind trees

The remodelling and refurbishment of 182 High Holborn has been informed by the built hierarchy and materiality of the local context to provide a legible street scene to the corner of High Holborn and Smarts Place which is lacking in the existing building

THE PROPOSED SCHEME
HIGH HOLBORN - POSITION 02

EXISTING

PROPOSED

The principal elevation fronting High Holborn returns to form the boundary condition of the neighbouring post office building which has been meticulously designed to create a worthy backdrop to the non designated heritage asset.
