2016/6111/P	Marcia MacLeod	Flat 1 31 Dennington Park Road London NW6 1BB	24/11/2016 11:28:48	OBJ	I object to this proposed development because it would set a precedent in the street, affect people's light and remove much needed garden space necessary for water run-off; with a river running underneath DPR, the destruction of run-off could lead to serious problems.
