Dear Ms Elton:

Thank for your message below. I am writing to object about any closure of the parking bays at Fitzroy Park.

As you are probably aware I am a registered disabled person in Camden and I do have a valid Blue Badge. Closing the access to the bays will prevent me and my mother, who is my main carer and has also walking difficulties from accessing my allotment.

This is a discriminatory practice and must be changed as soon as possible.

Kind regards,  
David Haralambidis
