

Note:

1. This drawing is copyright.
2. Contractors must check all dimensions on site.
3. Figured dimensions are to be used in preference to scaled dimensions.
4. Discrepancies must be reported immediately.
5. Construction (Design & Management) Regulations 2007:

All persons associated with this project in particular (but not exclusively) the Instructing Client, the Principal Contractor, Sub-Contractors and other Designers are hereby notified and/or reminded of their obligations under Health & Safety legislation in general and in particular under the Construction (Design & Management) Regulations 2007.

G D Johnson Associates state that, in developing their design of the works, the Health & Safety of the builders and the users of the construction have been considered in accordance with the above regulations and declare that all reasonable efforts have been made to see that the construction and use of the work/building will be without any risks greater than those associated with the normal construction and use of a building of this type and size.
