

This drawing and design is for use solely in connection with the project described below. The drawing and design is the copyright of Avanti Architects Ltd. and must not be re-issued, loaned or copied without written consent. All dimensions and setting out to be checked on site before construction. This drawing is to be read in conjunction with all other information relevant to the project and any discrepancies should be brought to the attention of Avanti Architects Ltd. Do not scale from this drawing.

Notes

Kitchen window sills lowered to 985mm above floor level. Ideal Combi sightlines 2 x 53mm flat mullions with 8mm shadow gap between opening lights. Opening casement concealed.

All anodized aluminium panels above windows to be recessed flush with window frames. Height of zone above window engineered to minimum at 400mm, 100mm less than shown previously.

500mm projection to GRC profile along overbuild
