Tony

Apologies for not responding previously, I must of missed the email.

In relation to the signage I can confirm that we are proposing to be consistent with the adjacent Maple Building signage as that is part of our agreement with the Landlord and that our sign has been designed to match the adjacent sign. Therefore we will only be illuminating the lettering to be match the design.

If you provide any further information then please do not hesitate to contact me.

Many thanks

Kind Regards

Bradley Ryan
