Good afternoon Matthias,
I am the Agent for Rush Hair Ltd, and am writing to you
in response to your letter dated 4th November

My Client, Rush Hair is withdrawing toe signage application, as the projecting sign and steel bar to the exterior are to be omitted,, the only signage will be internally mounted, and I am attaching a drawing detailing what we propose, although we appreciate that consent is now not required.
I am also attaching a plan indicating the existing internal layout and the proposed shopfitting for the Salon
I am also submitting as per your request the Design and Access Statement, together with the Heritage statement.

The Listed Building Consent application form has been submitted by post today, together with a marked up site location plan.

I trust the above meets with your approval,
should you require any further details, please do not hesitate to
e:mail me.

kind regards

JOhn Turner
AGENT for Rush Hair Ltd
