Hello Planning

Thank you for your email. Yes, when I say crown clean, I mean pretty much crown clean to remove all deadwood, crossing branches and thin by 15%. etc.

Kind regards,

Dear Mr Hickson,

Thank you for your notification of tree works.

Please can you clarify/specify the works for the Silver Birch tree, as the plan and the application form submitted is not clear.

Crown clean is not an accepted term for tree applications as it is too general, please expand to be more specific e.g. crown clean to remove all deadwood, crossing branches and thin by 15% etc.

Kind regards,
