2016/5970/P	Richenda Walford	Bloomsbury CAAC 61b Judd Street WC1H 9QT	01/12/2016 12:11:22	OBJ	Along with their delightful Victorian neighbour to the north these two buildings are rare survivors on Tottenham Court Road and so should be treated with respect. The proposal involves the total loss of the original Victorian rear facades; the loss of the chimney stacks which define the party walls. The development would gut the interiors of the buildings thus destroying the historic layout and all the features that remain.
