2016/6069/P	Hayley Robinson	32a Crayford road London N7 0ND	01/12/2016 10:26:33	OBJ	This proposal would see the destruction of a church which stands at the centre of the community, and would hugely undermine the strength of the community. This area is already densely populated and people need spaces in which to make links and support one another. It doesn't need lots of unaffordable housing and shops! This church stops local residents feeling isolated and hopeless and it provides many opportunities to come together to celebrate life.
