Yes  No

Will there be stripping out of any internal wall, ceiling or floor finishes (e.g. plaster, floorboards)?

Yes  No

If the answer to any of these questions is Yes, please provide plans, drawings and photographs sufficient to identify the location, extent and character of the items to be removed, and the proposal for their replacement, including any new means of structural support, and state references for the plan(s)/drawing(s).

State references for these plan(s)/drawing(s):

A full description of the works is contained within the design and access statement so are briefly summarised here:

- Interior: the interior of the building does NOT form part of its listing. All original finishes have been removed in a previous refurbishment. Our proposal seeks to replace non-original finishes.

- Exterior works: The proposal seeks to remove a rear conservatory added in the 1980's; which does not form part of the listing. A new extension occupying the same mass and footprint will replace it, with minor works to the rear elevation to detail waterproofing between the two structures. The front elevation (the listed part of the building) will not be affected by the works.

## 10. Listed building alterations

- Works to affixed structure: The proposal seeks to remove a rear conservatory added in the 1980's; which does not form part of the listing.

- Interior strip-out: Non-original partitions will be removed in local areas to improve circulation. Partitions will be added in some areas which restore the original layout of the building. Non-original finishes will be removed and replaced.

The scope of the works is illustrated in the attached drawings.

## 11. Listed Building Grading

If known, what is the grading of the listed building (as stated in the list of Buildings of Special Architectural or Historical Interest)?

Don't know  Grade I  Grade II\*  Grade II
