Your comments on the planning application

We live directly behind this planned extension and this is a late objection as this application has only just been drawn to my attention as the only notice is not displayed where we usually walk - disappointing as this proposal will directly affect us.

Additional storey will directly affect the light levels entering our property which we are extremely unhappy about

We will also suffer additional loss of privacy as if windows are to be at the rear of the property we will be further

overlooked - hopefully the trees that are there will remain  
should the application go ahead
