

Polycarbonate skylight to expand deep into plan to allow light through the existing living room window.

The rest of the roof will be finished using black felt tiles with black flashing around the perimeter.

Centred polycarbonate skylight to run the length of the proposed extension. It is orientated so as to align itself with the polycarbonate windows in the garage doors.

Gutter

NOTES:

KEY:

- 1. Existing building
- 2. Existing garden
- 3. Neighbouring land
- 4. Pavement
- 5. Front patio of existing building
- 6. Railing
- 7. Road
