Planning Application Details

We would like to let you know that we are supportive of the proposal.

We were consulted on the scheme prior to it being submitted to Camden.

We strongly support conversion of two flats into one, which we believe will benefit everyone living in the building.

The existing terrace is north facing, it is hardly used and losing part of it to the proposed extension will not be harmful to the occupiers of the newly created flat.

Kind Regards

Kasia & Richard Whitfield
