Dear Mr Sexton

Request for Pre-application Advice

Morrisons Supermarket and Petrol Filling Station, Chalk Farm Road, NW1 8AA

Thank you for contacting us on 25 November 2016 seeking our pre-application advice on proposals for the above site.

Having reviewed the information provided by you, we conclude that this proposal would lead to an application for which Historic England would be a statutory consultee. It is not possible or necessary for us to engage with every proposal that affects the historic environment at pre-application stage. In this instance we do not consider it necessary for us to participate in pre-application discussions. If, as the scheme develops, there are material changes to the proposals which would affect the historic environment, please consult us again.

If you have questions regarding any of the above, please do contact me.

Yours sincerely,

Sam Davis
