2016/6284/P	D Sender	172 Fordwych Road NW2 3NY NW2 3NY	02/12/2016 13:47:50	COMMNT	Work on the renovations already appear to have started given the noise and the fact that builders are at the site every day. I am concerned about the impact of noise as well as increased pressure on street parking from converting a single dwelling into four separate dwellings.
