2016/6298/P	Martin Plaut	3 Ryland Road Kentish Town London NW5 3EA	02/12/2016 11:53:51	OBJ	<p>I am very much opposed to this change of use. The shop is an important part of our neighbourhood. Other firms would be pleased to rent it if it was properly advertised and let at an appropriate rate.</p> <p>It is very important that Kentish Town should not become simply a residential area. Keeping the shopping alive is critical to the character of the area. Please do not allow this change of use.</p>
2016/6298/P	Rebecca Coulter-Emery	7 Alma Street Kentish Town London NW53DJ	02/12/2016 11:26:40	SUPPRT	<p>I would like to show my support for this application. Camden is desparately short of housing, so much so that young, well-qualified, gainfully employed North Londoners are giving up on the area. Unelected local interest groups should not be allowed to turn Camden into a ghost town of unlet shops, and delay development of badly needed new housing stock. Small developers need support from the council to allow infill development alongside larger scale renovation and home building projects.</p>
