Please state why a Lawful Development Certificate should be granted:

The building of the study extension to the ground floor flat at 8 Mansfield Road was completed many years before I purchased the property (which was in August 2010). According to the freeholder (Jonathan Martin Pugh), the extension has been in place since at least 1991. Since the building works are therefore more than four years old, I am applying for a Lawful Development Certificate so that the extension can be formally accepted and acknowledged as part of the ground floor property.
