Contact number	

Your comments on the planning application

I object to this application on the grounds of damage to surrounding environment. The application will cause a loss of light for flats in the Derby Lodge + loss of privacy for these same flats due to the height of the proposal. Furthermore the street/area already has many offices, more of this is not what the area/street needs : it will damage the growing sense of community. The Derby Lodge is a listed building and set within a Camden Conservation area raising the roof level to the extent proposed does not maintain the character/style of the existing building.
