2016/6418/P	Priscilla Pinotti	35 Oval Rd Flat 15	06/12/2016 12:09:31	OBJEMPER	<p>I am a local resident and I don't agree with high towers residential units.</p> <p>The maximum hight of the area must be respected ( which is around 5 storey) in order to guarantee the same quality of lighting, safety, views and visual amenity that we have now.</p> <p>I don't disagree with a residential development in principal, but I think that the the quality of the design must enhance the the area and not degenerate it.</p>
