Planning Ref: 2016/5751/P

Address: 7 New End NW3

Description: 1st Fl extension; roof terrace

Case Officer: Nora-Andreea Constantinescu

Date: 1 December 2016

This extension and terrace are small in scale, but are located in a very high-density part of Hampstead, where the smallest extension can be intrusive and harmful to many neighbours.

This proposal, including especially the roof terrace, would lead to overlooking and loss of privacy, and noise and light pollution. Many adjacent properties would suffer.
