To London Borough of Camden, Development Control Team

Planning Ref: 2016/6333/P

Address: 1a Well Road NW3

Description: Enforcement work

Case Officer: Rob Tulloch

Date: 1 December 2016

The presentation of this application seems to be over-detailed, tending to obscure the basic issues, which are that work on party walls and screening set out in the approved Permission documents has not been executed correctly. There is the probability of neighbour overlooking and loss of privacy.

The work has not been rectified, and enforcement action has been initiated; the application is intended to evade this action.

We support this enforcement, and call for refusal.
