Dear Steve,

Re: High level vegetation clearance and tree works

Further to your request and my subsequent visit please find below a quote for the specified works.

Item

T2 – Ilex

T1 – Ash belonging to West heath lawn tennis club

Our NPTC qualified tree surgeons consisting of 1no climber, 1no aerial rescue and 1no groundsman will carry out the following scope of works.

- Cut back hard all high level ivy up to a height of 4m back to the perimeter boundary as indicated on the above map
- T1 – Cut back overhanging limbs of large tree to boundary up to 10m or when branches no longer overhang the reservoir boundary. Owner's permission will be required to work on this tree.
- All other trees to be pruned back to boundary from ground level
- All waste to be chipped and removed from site

Works will be completed by fully trained, qualified operatives. Waste will be disposed at a licensed facility unless otherwise specified. Price is inclusive of all labour, materials and delivery charges.

If trees are subject to a Tree Preservation Order or are situated within a Conservation Area, consent will be required from the Local Planning Authority before works can commence. We are happy to make this application on your behalf. Works to neighbouring trees will require the owner's written permission.

Please note that quotations submitted for approval are valid for a period of 30 days, after which time a review may be required.

We hope this meets with your approval and look forward to your instruction, in the meantime if you have any queries please do not hesitate to contact me.

Yours faithfully,

Hamza Mould

Contract Manager
