

01 Site Location Plan
1:1250@A3

GENERAL NOTES:
 All Dimensions and conditions to be checked and confirmed on site by the contractor. The contractor should inform the architect of any discrepancies before proceeding with the work.
 All elements of work and materials are to comply with Building Regulations and British Standards, good industry practice and the recommendations of material and component manufacturers.
 All products are to be suitable for their purpose. The contractor is to install all products where noted in accordance with manufacturers' recommendations/specifications and inform the architect of any discrepancies or changes in the specification before proceeding with the work.
 This drawing is to be read in conjunction with all other relevant documentation including that produced by other consultants, subcontractor and suppliers.
 Refer to Structural Engineer's drawings and specifications for all information on structural frame/elements
