

## 8 Rothwell Street

Application to agree Conditions 4c/f/h\_12.12.16

c) Sample of replacement York stone treads to front lightwell steps.

We are proposing a buff sawn sandstone from London Stone:

<http://www.londonstone.co.uk/stone-paving/sandstone-paving/buff-sawn-sandstone-paving/>

This is proposed to the front light well and steps. The stone is installed to the threshold of the rear garden door so is available for inspection.

Image of proposed product provided by supplier used as stair cladding:

f) Service runs

Mechanical and electrical services will be concealed within the depth of wall/floor structure and there will be no service boxing visible within the house.

h) Manufacturer specification of the light fittings either side of front door.

We are proposing a pair of Astro Lighting Richmond 7270 Black Exterior Wall Lanterns either side of the front door:
