Dear Barry,
 I would like to thin the Birch in the front by approximately 30%, this will be purely thinning as we would like to preserve the shape and size of the tree.
 Best regards, Erik

Dear Erik

Thank you for your notification of tree works at 10 Bromwich Avenue, which has been logged with the reference 2016/6784. However, before we can proceed with this, please can you specify how much you'd like to trim the silver birch by?

Thanks very much
