The floor plan shows a rectangular bedroom with a sloped right wall. At the top center is a circular feature labeled 'B T5'. In the top-left corner is a bathroom containing a toilet, a bathtub, and a shower area. Adjacent to the bathroom is a 'W/D' (wardrobe) and a 'CUPBOARD'. The main area of the room contains a large bed with a headboard and two bedside tables. Two large windows are located at the bottom of the room, each with a dashed outline indicating a potential extension or partition. A circular diagram with radial lines is positioned in the upper right quadrant of the room.
