2016/5613/P	S Charkin	Silverdale Vale of Health NW3 1AN	08/12/2016 10:39:43	OBJ	I see that the applicants have submitted a response to the objections raised by myself and others. Regarding the proposed terrace over the extension they state that there is "already degree of existing mutual overlooking between the properties along this terrace". I feel that is misleading. There is only one roof terrace over an extension in this terrace of houses and that was built over 50 years ago. This new terrace, if granted approval would allow a considerable increase in overlooking in to our garden and into my house. There would also inevitably be an increase in noise and light pollution from the terrace
