16 December 2016

Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Full Planning Permission Granted

Address:

**4 St John's Wood Park
London
NW8 6QS**

Proposal:

Erection of single storey rear extension and alterations to 1 x rear window.

Drawing Nos: 1982-001; 1982-003; 1982-010 Rev. A; 1982-011 Rev. A; 1982-05; Design and Access Statement.

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as

possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 of the London Borough of Camden Local Development Framework Development Policies.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans 1982-001; 1982-003; 1982-010 Rev. A; 1982-011 Rev. A; 1982-05; Design and Access Statement.

Reason:

For the avoidance of doubt and in the interest of proper planning.

Informative(s):

- 1 Reasons for granting permission.

The proposed rear extension would be the same width as the existing conservatory and would be constructed in line with the rear elevation of the two storey closet wing to the north, and in line with the deepest point of the existing conservatory to the south. The existing conservatory is considered to be an unsympathetic addition to the original building in terms of its design, and the stepped design of the proposed flat-roofed extension to be constructed in traditional materials is considered to be an appropriate replacement which would remain subordinate to the host building in terms of form and scale, and would respect and preserve the design and proportions of the original building.

The replacement of the ground floor rear closet wing window with a timber framed window to match the proportions of the proposed rear extension windows is considered acceptable in design terms.

Due to the location of the proposed extension set in from both boundaries, it is not considered that the proposed extension would significantly harm the amenity of neighbouring occupiers in terms of loss of daylight, sunlight, outlook or privacy.

The extension would allow for the retention of a reasonably sized rear garden.

No objections were received prior to making this decision. The planning history of the site and surrounding area were taken into account when coming to this decision.

As such, the proposed development is in general accordance with policies CS5 and CS14 of the London Borough of Camden Local Development Framework Core Strategy, and policies DP24 and DP26 of the London Borough of Camden Local Development Framework Development Policies. The proposed development also accords with policies of the London Plan 2016 and of the National Planning Policy

Framework 2012.

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 6941).

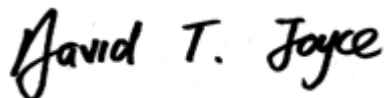

- 3 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Compliance and Enforcement team [Regulatory Services], Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 4444 or on the website <http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environment/contact-the-environmental-health-team.en> or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
