**Subject:** RE: Enquiry from the public - (ref: 20821612) - 2016/6861/INVALID

It's the tree on the right - in the middle of the space. I would leave the tree nearest the fence but perhaps have it trimmed down slightly and into a better shape, (according to the tree surgeon who's had a look at them!)

Thanks,  
Liz Goodfellow

Dear Liz Goodfellow

Looking at the photos you have provided, it is the tree on the right or the tree on the left?

Many thanks

Matthias Gentet

Dear Matthias,

Attached, I hope, is a photo of the 2 flowering cherry 🌸 trees that are very close together in my back garden. You can see that they are in a fairly small area where I would like to grow some vegetables and plant a couple of other smaller fruit trees nearer the edge. I have already put in a new apple tree!

It is the more centrally placed and slightly larger tree I would like to remove to make more space and light for other plantings.

I hope to hear from you soon.  
Regards,  
Liz Goodfellow

Dear Elizabeth Goodfellow

Thank you for your enquiry.

Being in a conservation area, any tree works require consent from the Council. Although you have already provided some details as to the removal of a Cherry tree, it would assist if you could also provide a basic map of the rear garden, or perhaps a photo of the rear garden with the tree you wish to remove clearly identified.

Your enquiry has been logged under reference: 2016/6861/INVALID. Once the exact location of the tree has been confirmed, your application will be registered, and a Tree Officer allocated to your case.

In the meantime, please forward any further information directly to me.

Many thanks
