Dear Mr Glasgow

AMBASSADORS THEATRE, WEST STREET, LONDON, WC2H 9ND

Thank you for consulting us on the formally submitted application for listed building consent. Historic England has had significant involvement in this case over the past 18 months, and we have provided substantial pre-application advice following consideration by our London Advisory Committee. I enclose our letter from 13 October, 2015 for your information.

As before, we accept the principle of the proposals and believe that, in this case, the substantial harm to the grade II listed building is necessary to deliver public benefits that outweigh that harm. We are content for your authority to determine the application as you see fit, and enclose the necessary authorisation letter.

Yours sincerely

Michael Dunn
