2016/6430/P	Jean Stanger	12 Chalcot Road London NW1 8LH	18/12/2016 11:42:35	COMMEM AIL	I live at 12 Chalcot Road. The rear of my property is against the (north) side wall of 1 Egbert Street. My concern is that by raising the roof of 1 Egbert Street the light at the back of my house ,which is already severely restricted by 3 Egbert Street and 13 Chalcot Road, would be further diminished.I would welcome a visit from the Planning Department to confirm this. I refer you to page 9 Section 3.20 b and c of the application and page 12, Section 5.3 which could be disputed on these grounds. I would be grateful for your attention in this matter.
