2016/6143/P	S. Gailey	37 South Hill Park	14/12/2016 11:36:46	OBJ	<p>I object to the roof extension. This is a conservation area and adding an extra storey will be damaging both from the front and the back of the house.</p> <p>Although it may have been done in the past in the street, this should not mean that it is acceptable today, as it is destructive. Such a scheme can only harm the light and character of the road. It will specifically block light into the houses opposite.</p> <p>Please refuse this roof extension as it will not enhance or improve the conservation area.</p>
