Dear Sir/Madam,

Please find attached a completed and signed planning application form that I wish to submit in order to obtain planning permission to host the Frieze Sculpture Park 2017 in the English Gardens of Regent's Park. The display has been running for 5 consecutive years now, and is part of the Frieze Art Fairs hosted in Regent's Park in early October.

The Sculpture Park will consist of approximately 25 sculptures from both established and emerging artists. The sculptures will be sited off of the pathways on the main lawns of the gardens. The display will run from the beginning of July through until the beginning of October 2017.

I have attached accompanying maps in order to indicate the location of the display within Regents Park.

Please let me know if you require any further information, and let me know which number to call to make payment for the application. I will do this this afternoon.

Kind regards,
David Brow
