2016/6654/L	Jan Harvie-Clark	7 Mount Vernon NW3 6QS NW3 6QS	11/12/2016 11:15:46	COMMNT	Railings higher than the the existing wall in Mount Vernon would dramatically change the landscape both in this very narrow street, and for the outlook for the houses facing this wall. If they appear over the wall they would look out of place in this conservation area that the neighbours work hard to conserve.
