**Subject:** 36 Shoot Up Hill Ref No. 2016/6135/P

**OBJECTION**

My name is Esther Wakely. I am the owner of 40 Shoot Up Hill NW2 3QB, a property that adjoins No. 36.

My address is;- The Old Boathouse, Church Street, Sutton Courtenay, Abingdon, Oxon, OX14 4NJ. [REDACTED]

No. 40 has been converted into 5 flats and 2 of these flats would be adversely affected by the proposed building works.

Flat 2 on the ground floor at the rear, gains its main light through the rear conservatory, and the building onto the boundary of both the ground floor extension and the 1st floor addition would severely cut down the light and outlook to this flat. It would have the effect of enclosing both sides of the garden, creating a corridor effect, as 40a is sited on the other side of the garden.

Flat 3, on the 1st floor rear of No. 40. would be subjected to intrusive windows, overlooking both the windows to this flat and the roof terrace.

Both flats would have a damaged outlook. from this overbearing structure.

Please reject this planning application as it would have a very detrimental effect on neighbouring properties

Regards  
Esther Wakely
