Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Full Planning Permission Refused

Address:
178-182 Camden High Street
London
NW1 8QP

Proposal:
The installation of 6 No. face mounted antennas at roof level.
Drawing Nos:

The Council has considered your application and decided to **refuse** planning permission for the following reason(s):

Reason(s) for Refusal

- 1 The proposed telecommunications antennas by virtue of their inappropriate siting, scale and unsympathetic design would result in a highly visually incongruous development harming the character of the host building and the wider streetscene. The proposal is contrary to policy CS14 of the Camden Core Strategy, policies DP24 and DP25 of the Camden Development Policies, the London Plan and the NPPF and therefore planning permission is refused.

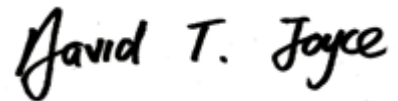

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
