

Appendix I – Schedule of Photographs : BAM Estate Boundary Walls

- 1) View looking up Cannon Hill from West End Lane. Original boundary walls & railings clearly visible.

- 2) View looking up Cannon Hill from West End Lane. Original boundary walls & railings clearly visible.

- 3) View looking up Cannon Hill, close to entrance into current Estate Office.

- 4) Original wall rendered and painted. Reduced-height piers now surmounted by a tapered stone obelisk.

5) View of new section of boundary wall outside Marlborough Mansions. Brick matches main block.

6) View of new section of boundary wall outside Avenue Mansions, at junction with replacement railings fronting Finchley Road.

7) New section of wall to one side of the service entrances into Marlborough Mansions.

8) Older section of wall, possibly original, which has been reduced in height and capped, following removal of original railings.

9) Older section of wall, possibly original, but now modified, outside one of the entrances to Marlborough Mansions.

10) Older section of wall, evidently original, which has been reduced in height and rendered. Pier capped with painted stone obelisk.

11) View down Cannon Hill showing privet screening to basement flats, behind new railings.

12) New sections of wall outside Avenue Mansions.
