Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Householder Application Granted

Address:
2B Upper Park Road
London
NW3 2UP

Proposal: Erection of single storey rear extension.

Drawing Nos: Design and Access Statement; Site Location Plan; ST_NOV16_2BUPP_01
Rev. D.

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as

possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policies DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans Design and Access Statement; Site Location Plan; ST_NOV16_2BUPP_01 Rev. D.

Reason: For the avoidance of doubt and in the interest of proper planning.

- 4 No part of the flat roof area above the single storey rear extension hereby approved shall be used as a roof terrace, and any access out onto this area shall be for maintenance purposes only.

Reason: In order to prevent any overlooking of the neighbouring occupiers in accordance with the requirements of policy CS5 (Managing the impact of growth and development) of the London Borough of Camden Local Development Framework Core Strategy and policy DP26 (Managing the impact of development on occupiers and neighbours) of the London Borough of Camden Local Development Framework Development Policies.

Informative(s):

- 1 Reasons for granting permission.

The proposed rear extension would be full width, modest in depth and would allow for the retention of a generously sized rear garden. The extension would be constructed using brick to match the host building, with the insertion of aluminium framed doors to the rear elevation at ground floor level and a flush roof light into the flat roof of the extension. The proposed extension would not be visible from the public realm, and would remain subordinate to the host building in terms of form and scale. Overall, the proposal would respect and preserve the design and proportions of the original building and the character and appearance of the Parkhill Conservation Area. It would be of a similar depth as an existing extension of the attached building.

The proposed ground floor extension would not give rise to any adverse impact on the amenity of neighbouring occupiers in terms of loss of light, outlook or privacy as both of the adjacent properties have single storey rear extensions of a similar depth.

No objections were received prior to making this decision. The planning history of the site and surrounding area were taken into account when coming to this decision.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the Conservation Area, under s.72 of the Planning (Listed Buildings and Conservation Area) Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

As such, the proposed development is in general accordance with policies CS5 and CS14 of the London Borough of Camden Local Development Framework Core Strategy, and policies DP24, DP25 and DP26 of the London Borough of Camden Local Development Framework Development Policies. The proposed development also accords with policies of the London Plan 2016 and of the National Planning Policy Framework 2012.

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 6941).

- 3 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Compliance and Enforcement team [Regulatory Services], Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 4444 or on the website <http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environment/contact-the-environmental-health-team.en> or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
