2016/6553/P	Mark Emms	3 Princess Mews	04/01/2017 09:48:29	COMMNT	<p>I contest the plans to build up our rooftop party wall.</p> <p>Number 4 are claiming the party wall for their own gains to support and house a proposed large glass rooftop structure.</p> <p>By claiming this wall for their own usage it no longer becomes a party wall and renders obsolete any future plans which I may wish to submit for that wall.</p> <p>Any structure to support or house the proposed glass structure to increase their living space should be built inside the boundaries of the party wall.</p> <p>More comments to follow from our architect.</p>
