

This architectural elevation drawing illustrates a proposed horizontal window band across a building facade. The drawing includes the following elements:

- Elevation Markers:**
 - +99.150 1 KH_LEVEL UG (Upper Level)
 - +96.100 0 KH_LEVEL LG (Lower Level)
- Existing Features:**
 - Existing Grilles (indicated by a label and a small square symbol on the left).
 - Existing window units labeled KH-W-LG-04, KH-W-LG-05, KH-W-LG-06, KH-W-LG-08, and KH-W-LG-09.
- Proposed Features:**
 - A new horizontal window band (indicated by a thick black line) spanning across the facade.
 - Proposed window units (indicated by dashed lines and labels) within the new band.
- Structural Details:**
 - Support columns (indicated by vertical lines) for the proposed band.
 - Foundation and ground level (indicated by hatched areas and a dashed line).
